Help Realize Your Goals

Mother Lode Bookkeeping was established in 1978 in Encinitas California with the goal to provide cost effective, professional, and highly personalized service to individuals and businesses. Over the years Mother Lode Bookkeeping has helped thousands of clients achieve their goals by providing cost effective services in a personal, professional, and friendly manner.

Securing Your Future

As a small business owner you have more important things to do than to keep your own records and books and prepare time-consuming government reports.

At Mother Lode Bookkeeping we take care of this for you, so you can get back to what you do best, the job of running your business and generating profits.

Our services form a solid foundation for your financial and business service needs. You can customize the package of services you receive by adding bookkeeping, payroll, tax planning, tax preparation, or any of our other business services to form a blend of services that meet your business goals and objectives.

Fulfill Your Needs

If you are looking for a blend of personal service and expertise in bookkeeping, payroll, tax preparation, or other business services, then Mother Lode Bookkeeping is who you need to contact.

All services are carried out by qualified technicians who will discuss your requirements with you to ensure you are getting the service you require and the expertise you want for your business.
